

PROFESSIONAL DEVELOPMENT PLAN

CHANGES IN EFFECT AS OF APRIL 2018

Whether you are actively using your plan or created your plan at some point in the past, we want to take this opportunity to tell you about an improvement that has been made that will make it easier to know exactly what your status is in each of the required sections of the plan. These changes will be visible the next time you log into your PDP account.

To view the changes, log into your existing PDP using the **briefcase icon** that appears at the top of the homepage of The Nevada Registry's website at **nevadaregistry.org**. Do not use the 'User Portal' button – that button is available for approved trainers to submit training only.

As a reminder, you must be an active member of the Registry in order to access your PDP *and* the email address you enter must match the email address contained within your Registry membership account. If you do not have an email address on file or have changed your email address since you first created your plan, you will not be able to access your PDP. Contact The Nevada Registry to update your information. You may also download an Update/Renewal Form if your membership has lapsed (visit the 'Forms' page of the Registry website).

Once logged in, click on 'View/Download' in the upper right hand corner of the page to view a summary of your plan. You can view it online (View Your PDP Summary Online) or download it to your computer (Download Your PDP as a PDF).

Regardless of which selection you make, you will see a summary at the top of the page that now includes a breakdown of the CKA Assessment portion of the plan. (As of April 2018, a minimum of one CKA competency assessment must be completed in order for this step to be considered complete.)

PLAN TITLE: TEST

Created: June 15, 2015
Last Edited: March 28, 2018
Status: Complete

Note: A minimum of one Core Knowledge Area (CKA) competency assessment must be completed in order for your plan to be considered complete. Your status in each of the eight CKA is provided below. While only one CKA assessment is required, it is recommended that you return to your plan again in the future to complete the assessments for any remaining CKA that have not yet been completed.

- CKA 1: In Progress
- CKA 2: Complete
- CKA 3: Complete
- CKA 4: Not Started
- CKA 5: Not Started
- CKA 6: Not Started
- CKA 7: Not Started
- CKA 8: Complete

You will also notice that the overall status of each CKA assessment within the detailed sections of the summary is also listed in the blue header for each CKA making your status in each category crystal clear. Each subsection within the CKA is also labeled with a status.

CORE KNOWLEDGE AREA ASSESSMENT

CKA 1: Human Growth and Development - In Progress

Part 1: Developmental Domains - In Process

My current strengths in this C.K.A. are:

- Defines terms describing developmental domains: cognitive, physical, language, social-emotional and creative development.

We hope that you find these improvements helpful in monitoring your progress toward completion of your PDP. While we do not anticipate that these changes will affect any of the information currently contained within your existing plan, should you experience any issues as a result of these changes, please notify The Nevada Registry right away so we may address the issue as quickly as possible.

Thank you,

The Nevada Registry
