

Looking for CCDBG Health and Safety Training Courses to Meet Child Care Licensing Requirements?

ProSolutions Training is currently offering the following CCDBG Health and Safety courses online **FREE OF CHARGE** for a limited time. All five courses are approved by The Nevada Registry.

- Building and Physical Premises Safety, Including the Storage and Handling of Bio-Contaminants and Hazardous Materials
- Emergency Preparedness and Response Planning Resulting from a Natural or Man-Made Event
- Medication Administration and the Prevention of and Response to Food and Other Allergies in the Child Care Environment
- Prevention of Shaken Baby Syndrome and Abusive Head Trauma
- Transportation and Field Trip Safety in the Early Childhood Environment

To take advantage of this offer: Go to <https://www.prosolutionstraining.com>. Choose 'Nevada' in the 'Find a Course' search field. Click 'Search'. You will be directed to the '**Nevada Course Catalog**'. Scroll to the course titled 'CCDBG Health and Safety Training'. Click on 'Add to Cart' to order your FREE course. (You will be directed to an 8-hour package that includes the five individual courses listed above - complete all or just as many as you need). Courses can also be found on The Nevada Registry's [Training Calendar](#). Choose 'ProSolutions Training' from the 'Online and Distance Learning Organizations' dropdown menu for a complete list of Registry-approved courses.

Don't delay!
This offer will not be available forever!
