About Strong Start Nevada

Strong Start Nevada is a community outreach campaign, overseen and managed by the Children's Advocacy Alliance, aimed at mobilizing parents, educators, advocates, community- and business leaders to make quality early childhood education a priority in the state. Strong Start is a united effort to support a significant expansion of high-quality early learning opportunities for children ages birth to five, particularly those in low-income families, in order to achieve better education, health, social and economic outcomes for all.
