SUBJECT: Vacancy on Washoe County Child Care Advisory Board

There are currently two separate vacancies on the Washoe County Child Care Advisory Board for a parent who receives child care services. The member can be a parent from either home or center based facilities. The current board members are not eligible for reappointment. Board meetings will be held at least twice per year with one meeting during the day and the other during the evening hours.

Two members will be appointed by the Washoe County Department of Social Services Director to serve a four-year term. The members could then be eligible for reappointment for an additional term. If someone you know would like to serve as a member, please have names submitted for consideration by September 30, 2016. Please include a brief history of the applicant's involvement in child care and/or why they would like to participate.

If you have any questions, please contact me.
