EXPLANATION – Matter in *italics* is new; matter in brackets ~~[omitted material]~~ is material to be omitted.

AUTHORITY: §§1-29, 34-56 and 58-85, NRS 432A.077; §30, NRS 432A.077 and 432A.180; §§31-33, NRS 432A.077 and 432A.141; §57, NRS 432A.077 and 432A.177.

A REGULATION relating to children; requiring child care facilities that provide care for certain younger children to have an early care and education program; prohibiting the presence of weapons in certain child care facilities and providing certain restrictions concerning the presence of weapons in a family home or group home; revising certain provisions concerning the required ratio of caregivers to children in a child care facility; making various other changes relating to the standards of operation of a child care facility; providing additional requirements for certain types of child care facilities; and providing other matters properly relating thereto.

Section 1. Chapter 432A of NAC is hereby amended by adding thereto the provisions set forth as sections 2 to 20, inclusive, of this regulation.

Sec. 2. *“Developmentally appropriate care and education” means the provision of care or education in a manner that takes into account:*

- 1. The universal, predictable sequences of child development;*
- 2. The particular sequences of child development of each child cared for in a facility; and*
- 3. The principle that children learn best when learning is meaningful to them and is based on “first-hand” experiences.*

Sec. 3. *“Early care and education program” means a program in which developmentally appropriate care and education are provided to children based on the ages of the children served and on the type of setting within which that care and education are provided.*

Sec. 4. *“Educational child care institution” means a child care institution that is recognized by the Department of Education as providing educational opportunities primarily for privately placed children of school age.*

Sec. 5. *“Extended care accommodation facility” means an accommodation facility that:*

- 1. Provides temporary care to children for an amount of time that is more than 3 1/2 hours but is within the limits of time set forth in subsection 4 of section 15 of this regulation; and*
- 2. Provides such care while the person responsible for placing the child in the extended care accommodation facility remains on the premises of the business establishment which operates the extended care accommodation facility.*

Sec. 6. 1. *“Facility for special events” means a facility which is:*

(a) Operated by a business that is licensed to conduct a business other than the provision of care to children; and

(b) Located on the premises of a business at which a special event is held.

2. The term does not include care to children that is provided in a hotel or motel room or in the private home of a person who is attending a special event.

Sec. 7. *“The Nevada Registry” means the organization that operates the statewide system of career development and recognition created to:*

1. Acknowledge and encourage professional achievement in the early childhood care and education workforce in this State;

2. Establish a professional development system in this State for the field of early childhood care and education;

3. Approve and track all informal training in the field of early childhood care and education in this State; and

4. Act as a statewide clearinghouse of information concerning the field of early childhood care and education.

Sec. 8. *1. “Residential child care institution” means a child care institution:*

(a) Which provides care and psychoeducational services to children who are diagnosed as severely emotionally disturbed children; and

(b) In which the treatment goals and length of stay of a child are dependent upon the needs of the child with regard to his physical, social, emotional, moral and educational development.

2. As used in this section, “emotionally disturbed children” has the meaning ascribed to “child with an emotional disturbance” in NRS 433B.045.

Sec. 9. 1. *“Shelter child care institution” means a child care institution which provides residential care on a 24-hour basis to children who are in the custody of an agency which provides child welfare services and who are in need of temporary protection and care.*

2. As used in this section, “agency which provides child welfare services” has the meaning ascribed to it in NRS 432B.030.

NEW FIRST
PARALLEL
SECTION

Sec. 10. *A facility, other than an accommodation facility or a facility that provides care for ill children, may replace a caregiver who has:*

1. An unplanned absence with an alternate caregiver:

(a) Who is able to be on the premises of the facility within 5 minutes after being requested to do so;

(b) Whom the Bureau has investigated pursuant to paragraph (a) of subsection 2 of NAC 432A.200; and

(c) Who satisfies the requirements of NAC 432A.310.

2. A prearranged absence with a substitute caregiver who satisfies each of the requirements of a caregiver set forth in this chapter and chapter 432A of NRS.

Sec. 11. 1. *Each facility shall ensure that weapons, including, without limitation, firearms, air rifles, bows, hunting knives or hunting slingshots, are not transported in any vehicle of the facility in which children are riding unless the weapons are made inoperable and inaccessible.*

2. A licensee of a family home or group home shall ensure that any weapons in the facility are unstrung and unloaded at all times when children are in the facility.

3. *A licensee of a family home or group home shall ensure that any weapons in the facility are either stored in locked containers or rooms that are out of the reach of children or are made inoperable.*

4. *A licensee of a family home or group home shall ensure that any ammunition and arrows in the facility are stored in separate locked containers.*

5. *Except as otherwise provided in this subsection and NRS 202.3673, weapons are prohibited in any child care center, child care institution or facility for special events. The provisions of this subsection do not apply to a weapon carried by a peace officer or other law enforcement personnel certified by the Peace Officers' Standards and Training Commission pursuant to NRS 289.550.*

Sec. 12. 1. *Each facility shall ensure that any immunizations recommended by a veterinarian for a pet kept at the facility are up-to-date, regardless of whether the pet is kept inside or outside the facility.*

2. *Pets are only permitted in a facility if they are:*

(a) *In good health, present no problems of sanitation and have a temperament which is not hazardous or frightening to children;*

(b) *Handled in a manner which protects the well-being of the children and the pet;*

(c) *Inoculated as often as prescribed by a veterinarian; and*

(d) *Restricted from areas where food is prepared and from eating areas while meals are being served as required by state and local health agencies.*

3. Each facility shall ensure that any litter boxes are kept out of the reach of young children and that play areas are cleaned of all animal feces before children are allowed access to those areas.

Sec. 13. 1. In addition to satisfying the requirements of NAC 432A.200, an applicant for a license to operate a facility for special events must:

(a) Have and indicate in his application for a license to operate the facility for special events a permanent physical location for the business where the records concerning the facility will be maintained.

(b) Submit to the Bureau an application for a license to operate the facility for special events for each special event for which child care will be provided by the facility for special events, which must include written approval from the owner or operator of the premises of the business at which the special event will be held and at which child care will be provided. The application must be filed with the Bureau at least 60 working days before the date on which the special event begins and must include:

(1) The appropriate fee as prescribed in NAC 432A.200;

(2) The name of the special event and the address at which the special event will occur;

(3) The square footage and a diagram of the specific area in which child care will be provided;

(4) A copy of the contract which will be provided to the parent of a child who will receive care provided by the facility for special events;

(5) The plan for the program of care for the children who will receive child care provided by the facility for special events, which must be broken down by the age groups of the

children who will be served by the facility and the ages and number of children to whom child care services will be provided; and

(6) A copy of the statement that will be provided to each parent of a child who receives care provided by the facility for special events which indicates that the members of the staff of the facility may have varied levels of training and experience.

2. A license to operate a facility for special events issued by the Bureau must include a statement indicating that the members of the staff of the facility may have varied levels of training and experience.

3. The Bureau shall not renew a license to operate a facility for special events.

Sec. 14. 1. *Child care that is provided by a facility for special events may be provided only:*

(a) To the children of persons who are attending the special event; and

(b) On the dates on which the special event is occurring and may not be provided for more than:

(1) Seven days; and

(2) Ten hours in 1 day.

2. A parent of a child who is receiving child care services from a facility for special events must provide to the facility the full name, address and telephone number or pager number of at least two persons who may be contacted by the facility in an emergency involving the child.

3. A facility for special events shall provide and accurately maintain a sheet for signing children and members of the staff in and out of the facility.

4. A facility for special events must be physically located in such a manner that any sale or dispensing of alcohol and any participation in gaming ventures are obscured from the view and hearing of the children in the facility.

5. The records of the children receiving child care from a facility for special events must be maintained on-site at the facility. A parent of a child receiving care from a facility for special events must provide proper photo identification to remove the child from the facility. The facility will allow a child to be removed from the facility by a parent of the child only if the parent:

(a) Provides the facility with proper photo identification; and

(b) Is preauthorized as a person who is allowed to remove the child from the facility.

6. Any immunization records required by NRS 432A.230 for enrollment in a facility for special events may be sent by facsimile to the facility.

7. Each facility for special events shall ensure that a parent of a child is notified upon checking the child into the facility of an off-site emergency location where the children receiving care at the facility will be taken if the facility is evacuated. The emergency location must:

(a) Be predetermined by the facility after consultation with and approval of the security department of the business at which the special event is being held, if any; and

(b) Not be above the main floor of the facility at which the special event is being held.

8. Each facility for special events shall ensure that a manager who is 21 years of age or older is on duty at the specific area in which child care is being provided at all times that child care is being provided by the facility.

9. Each facility for special events shall ensure that a child who is receiving child care from the facility and who is 5 years of age or less does not participate in any field trips sponsored by the facility unless the child is accompanied by a parent.

10. A facility for special events shall submit to the Bureau a program plan for each field trip the facility plans at least 14 days before the field trip is to occur. The plan must include, without limitation:

(a) The company that will be providing the transportation;

(b) An itinerary of the field trip;

(c) An estimated time of departure for and return from the field trip;

(d) The plan for food service, which must comply with any applicable requirements of state and local health agencies;

(e) The approximate ages and number of children who will be participating in the field trip;

(f) Lists for the members of the staff of the facility that identify the group of children for whom each member of the staff will be responsible during the field trip;

(g) A system of identification that will be prominently displayed and will assist each member of the staff in readily identifying each child who is in the group of children for whom the member of the staff of the facility will be responsible during the field trip;

(h) Copies of the notices of the field trip that were sent to and authorized by a parent of each child who will be participating in the field trip; and

(i) For each child who will be participating in the field trip:

(1) The telephone number and names of at least two persons who may be contacted by the facility in an emergency involving the child; and

(2) A statement signed by a parent of the child indicating that the child does not have any health issues that would prevent the child from participating in the field trip.

Sec. 15. 1. Each extended care accommodation facility must have:

(a) A designated napping area for all children cared for in the facility; and

(b) A separate area designated for infants and toddlers.

2. Any meals or snacks provided by an extended care accommodation facility pursuant to NAC 432A.385 may be provided by the facility or a parent of a child cared for in the facility. Food prepared at home by a parent of a child cared for in the facility may only be consumed by that child at the facility in accordance with state and local health agencies.

3. In addition to the 35 square feet of indoor space for each child required by NAC 432A.250, an extended care accommodation facility must have:

(a) A designated indoor area that provides sufficient space for physical activity, including, without limitation, climbing, basketball, dancing and gymnastics; and

(b) Either a separate designated indoor area that provides sufficient area for physical activity for infants and toddlers, or a time in which the designated indoor area described in paragraph (a) is used only for infants and toddlers.

4. An extended care accommodation facility may care for a child for not longer than 5 hours in any 24-hour period.

5. An extended care accommodation facility shall not operate as a preschool.

6. *An extended care accommodation facility shall obtain the full name, address and telephone number or pager number of at least two persons who may be contacted by the facility in an emergency involving the child.*

7. *An extended care accommodation facility shall not provide field trips for children cared for in the facility.*

432A.170 The Bureau shall:

1. Ensure that every person operating a facility is licensed;
2. Make and maintain files regarding the interpretation by courts of the provisions of this chapter ~~[i]~~ and make these files available for public review;
3. When requested, offer assistance and consultation to licensees of facilities;
4. *As determined appropriate by the Bureau, provide technical assistance and support to licensees of facilities and to caregivers;*
5. Aid the Board in developing an awareness within local communities of the need to protect children by licensing operators of facilities; and

~~[5.]~~ 6. Develop a strong working relationship with local and state zoning, fire, health and safety officials for the purpose of evaluating facilities and licensing their operators.

Sec. 29. NAC 432A.180 is hereby amended to read as follows:

432A.180 1. Any county or city which desires to establish or has established a child care licensing agency must file a copy of any proposed ordinance or regulation for licensing facilities with the Bureau for review not later than 30 days before a public hearing is held on the proposed ordinance or regulation. The ordinance or regulation adopted by the county or city must be filed with the Bureau for its approval within 30 days after adoption.

2. Every local licensing agency shall ~~[monthly]~~ submit *on a quarterly basis* to the Bureau a roster of all facilities in its jurisdiction which are currently licensed.

Sec. 30. NAC 432A.190 is hereby amended to read as follows:

432A.190 1. Inspections of any building or premises of a facility pursuant to NRS 432A.180 may be unannounced and must be made at least two times during the 12-month licensing period or once every 6 months. ~~[More frequent inspections may be made if the Bureau has reason to believe the licensee of a facility is not meeting the requirements]~~ *Any authorized member or employee of the Bureau may enter and inspect any building or premises of a facility at any time pursuant to NRS 432A.180 to secure compliance with or prevent a violation of any provision* of this chapter or chapter 432A of NRS.

2. In conducting inspections and investigations, the Bureau may call upon political subdivisions and governmental agencies for assistance. The licensee or applicant shall cooperate with the person conducting the investigation by providing access to the buildings, records and

staff of the facility. Failure to provide such access is a ground for revocation of a license or denial of an application for a license.

3. On confirmation of the operation of an unlicensed operator of a facility, the Bureau or the local licensing agency shall investigate and attempt to license the operator of the facility, force discontinuance of the operation of the facility or prosecute the violation.

Sec. 31. NAC 432A.200 is hereby amended to read as follows:

432A.200 1. An application for an initial license to operate a facility must be:

(a) Submitted to the Bureau on a form supplied by the Bureau; and

(b) Accompanied by the following appropriate fee:

2. After receiving a completed application and payment of the appropriate fee, the Bureau

~~will:~~ **shall:**

(a) Conduct an investigation into the qualifications and background of ~~every~~ :

(1) **Every** applicant and his employees, ~~and every~~ *other than an educational intern who provides direct care to children for a period of less than 6 months; and*

(2) **Every** resident of the facility who is 18 years of age or older;

(b) *Conduct a partial investigation into the qualifications and background of every resident of the facility who is at least 16 years of age but less than 18 years of age;*

(c) *Conduct a partial investigation into the background of every volunteer of the facility who is at least 16 years of age and who regularly works for 15 hours or more per week in the facility;*

(d) Inspect the buildings of the facility; and

~~(e)~~ (e) Examine the plans for care of the children and management of the facility.

3. Documentation of completed and current investigations must be kept on file at the facility for all persons required to be investigated, for the period of their presence at the facility.

4. Fingerprints must be taken and applications for investigations must be made by:

(a) ~~An~~ *Every* employee or a resident of the facility *who is at least 18 years of age and every volunteer who is at least 18 years of age and who regularly works for 15 hours or more per week in the facility* within 3 working days after the date of hiring or his presence in the facility, and every 6 years thereafter.

(b) An applicant at the time of an application for initial license.

(c) A licensee every 6 years after the date his license is originally issued.

5. *Every 2 years after the investigation conducted pursuant to subsection 2 is completed, the Bureau shall conduct a partial investigation into the background of each volunteer who is at least 16 years of age and who regularly works for 15 hours or more in a facility and into the background of each licensee and employee of a facility.*

6. The Bureau ~~will~~ *shall* immediately notify the applicant or licensee if the investigation *conducted pursuant to subsection 2 or 5* indicates that he or an employee or resident of the

facility *or a volunteer who regularly works for 15 hours or more per week in the facility* has been convicted of any offense listed in subsection 2 of NRS 432A.170.

~~[6.]~~ 7. The license must not be issued until the Chief of the Bureau is satisfied that the proposed facility will be in compliance with the applicable codes concerning safety of human life, environmental health, and building and zoning, as established respectively by the State Fire Marshal, the State Board of Health and the appropriate local government. A report of inspection by the State Fire Marshal or the ~~[State Health Officer,]~~ *Bureau of Health Protection Services of the Health Division of the Department*, finding satisfactory conditions, may be accepted by the Chief as proof of compliance with the applicable regulations.

~~[7.—A]~~

8. *With the exception of a facility that is licensed by a branch of the military or naval service of the United States, a* licensee who has a license to operate a family home or a group home may not obtain a license to operate any other family home, group home or other child care facility.

~~[8.]~~ 9. An applicant must, before a license is issued to him, submit to the Bureau a certificate stating that he holds a policy of insurance for protection against liability to third persons which will meet the requirement set forth in subsection 2 of NAC 432A.290. Any government, governmental agency or political subdivision of a government which operates a child care facility and is self-insured is not required to furnish a certificate of insurance to the Bureau.

~~9.~~ **10.** If the applicant and the proposed facility are in compliance with the provisions of this chapter, as shown by his application and related material and the investigation, a license will be issued to him within 30 days after completion of the investigation.

~~10.~~ **11.** A licensee shall return to the Bureau his license if he ceases to operate a facility, if the license has been suspended or revoked or if his ~~annual~~ license is placed on a provisional basis.

12. As used in this section, “partial investigation” includes, at a minimum, checking the Statewide Central Registry for the Collection of Information Concerning the Abuse or Neglect of a Child established by NRS 432.100 and performing a background check with local law enforcement.

Sec. 32. NAC 432A.210 is hereby amended to read as follows:

432A.210 1. Each license must contain the name of each person authorized to operate the facility, the location of the facility, the number of children for whom care may be provided pursuant to the license and the nature of child care services which may be provided.

2. The *current* license issued to an operator of a facility must be signed by the Chief *of the Bureau* and conspicuously posted in a public place within the facility.

3. The license is not transferable from one licensee to another licensee or from a licensee to a person who is not a licensee. A license is valid only for the premises described in the license.

4. Except as ~~provided~~ otherwise *provided* in this chapter, a licensee may not care for a greater number of children than the number set forth on the license issued to the licensee.

Sec. 33. NAC 432A.220 is hereby amended to read as follows:

432A.220 1. ~~[A]~~ *Except as otherwise provided in section 13 of this regulation, a licensee of a facility may apply for reissuance of a license ~~[no]~~ by submitting an application for reissuance which must be received by the Bureau, or postmarked if mailed, not later than 45 days before the expiration of the license. The Bureau shall provide all forms and materials necessary for reissuance of a license. **The Bureau shall charge a late fee of \$50 for an application for reissuance of a license that is received or postmarked later than 30 days before the expiration of the license.***

2. After receipt of an application for reissuance of a license and the receipt of a fee for reissuance computed in the same manner described in subsection 1 of NAC 432A.200, the Bureau shall conduct a survey to determine whether the licensee of a facility meets all of the requirements for issuance of a license set forth in NAC 432A.200.

3. If, after investigation, the Bureau determines that the facility complies with the requirements of NAC 432A.200, a license must be reissued for 1 year. A reissued license may be revoked or suspended on the same grounds as an initial license.

Sec. 34. NAC 432A.280 is hereby amended to read as follows:

432A.280 1. Each licensee shall develop an appropriate plan to ensure that the staff of his facility is prepared to respond in an emergency, including, without limitation, a fire or natural disaster. *The plan must, at a minimum, be reviewed on a quarterly basis during a meeting of the staff of the facility. Each licensee shall ensure that the plan is, at a minimum, evaluated annually and is changed as necessary.*

2. Each plan developed pursuant to subsection 1 must include, without limitation:

(a) The duties of the director and staff;

(b) A procedure for removing staff and children to a shelter within a building of the facility if the staff and children are instructed to do so by emergency personnel;

(c) A procedure for evacuating the facility;

(d) A plan for transportation;

(e) A list of sites that may be used for relocation;

(f) A plan for the supervision of the children of the facility during the emergency;

(g) The manner in which children and staff from the facility will be accounted for during the emergency; and

(h) The method for contacting emergency personnel, including, without limitation, the fire department, a law enforcement agency or any other appropriate authority.

3. The licensee of a facility shall hold:

(a) A fire drill at least once every month; and

(b) A drill for natural disasters at least once every 3 months.

4. Appropriate plans for removing the staff and children of a facility to a shelter within a building of the facility and for the evacuation of the facility in case of emergency must be conspicuously posted in a public place in the facility.

5. The director of the facility shall maintain a daily sign-in sheet that includes:

(a) The first and last names of staff and children; and

(b) The times of arrival and departure for staff and children.

6. To maintain his license, the licensee must ensure that his facility meets all standards for fire safety which are established by the State Fire Marshal.

7. The State Fire Marshal or his designee shall, at least annually:

- (a) Enter and inspect every building or the premises of each facility; and
- (b) Observe and make recommendations regarding the drills conducted pursuant to subsection 3.

8. Reports of the drills conducted pursuant to subsection 3 and the inspections concerning the fire safety of a facility conducted pursuant to subsection 7 must be maintained in a physical file at the facility and *be* available for review at the facility by a parent of a child who attends the facility or a parent who is considering enrolling his child at the facility for at least 2 years after the date of inspection.

Sec. 35. NAC 432A.290 is hereby amended to read as follows:

PARALLEL
SECTION

432A.290 1. Each licensee of a facility shall have a working telephone listed in a local telephone directory. A current list of emergency telephone numbers, including health agencies, fire and police departments and ambulance services must be posted adjacent to the telephone.

2. Each licensee of a facility shall have a policy of insurance for protection against liability to third persons. A certificate of insurance must be furnished by the licensee of a facility to the Bureau as evidence that the policy is in force. Each policy must contain a provision which requires the insurer to notify the Bureau at least 30 days before cancellation or nonrenewal of the policy. The licensee shall notify the Bureau if there is a lapse in the insurance coverage required by this subsection. The policy of insurance must be maintained at the facility. Any government, governmental agency or political subdivision of a government which operates a child care facility and is self-insured is not required to furnish a certificate of insurance to the Bureau.

3. If transportation is provided by the licensee of a facility, all children must be protected by adequate supervision by the staff, safety precautions and adequate insurance which covers

liability for health or injury, medical expenses and damages caused by uninsured motorists. The licensee of a facility shall require that each child is instructed in the conduct required for safe transportation. A driver of a vehicle used by the licensee of a facility shall:

- (a) Possess an appropriate driver's license and adequate insurance;
- (b) Not leave an unattended child in the vehicle at any time;
- (c) Ensure that a parent, or a person designated in writing by the parent, is present to take charge of a child upon delivery of the child to his home or the facility;
- (d) Ensure that each child boards or departs the vehicle on the side of the vehicle adjacent to a curb and that the child is safely conducted across any street encountered immediately before boarding or after departing; and
- (e) Ensure that the doors and windows of the vehicle are secure before proceeding.

4. If, during the time school is in operation, the licensee of a facility provides transportation for ~~[school-age]~~ children *of school age* to and from a public or private school, the ratio of staff ~~[persons]~~ to children in the vehicle must be not less than one member of the staff for every 15 children. ~~[The driver of the vehicle may be counted as a staff person for the purposes of maintaining the required ratio.]~~

5. The licensee of a facility shall maintain a log for transportation provided by the licensee of the facility. The log must be maintained at the facility for at least 4 months after the transportation is provided. The log must include:

- (a) The name of each child who was transported;*
- (b) The date the transportation was provided by the licensee of the facility;*
- (c) The time of departure of the vehicle and the time the vehicle arrived at its destination;*

(d) The signature of the driver of the vehicle;

(e) The name of each adult who was transported in the vehicle, including, without limitation, the driver of the vehicle; and

(f) The signed verification required by subsection 6.

6. Upon arrival at the destination, one member of the staff of the facility shall mark each child off the log as the child departs the vehicle, conduct a physical inspection and visually and physically sweep the vehicle to ensure a child is not left behind in the vehicle, and include in the log signed verification that each child who was transported in the vehicle is accounted for and that the visual and physical sweeps were conducted.

Sec. 36. NAC 432A.290 is hereby amended to read as follows:

432A.290 1. Each licensee of a facility shall have a working telephone listed in a local telephone directory. A current list of emergency telephone numbers, including health agencies, fire and police departments and ambulance services must be posted adjacent to the telephone.

2. Each licensee of a facility shall have a policy of insurance for protection against liability to third persons. A certificate of insurance must be furnished by the licensee of a facility to the Bureau as evidence that the policy is in force. Each policy must contain a provision which requires the insurer to notify the Bureau at least 30 days before cancellation or nonrenewal of the policy. The licensee shall notify the Bureau if there is a lapse in the insurance coverage required by this subsection. The policy of insurance must be maintained at the facility. - (i) Gives either or both parents the right to observe the program of the licensee before enrollment and at any time after enrollment of the child;

(j) ~~[Notifies]~~ *For a child care facility as defined in paragraph (a) of subsection 7 of NRS 202.2491, notifies either or both parents that smoking of tobacco in any form is prohibited in the facility at all times;*

(k) *For a facility other than a child care facility as defined in paragraph (a) of subsection 7 of NRS 202.2491, notifies* either or both parents if smoking of tobacco is permitted on the premises of the facility in a designated area approved by the fire authority;

~~[(k)]~~ (l) Notifies either or both parents if and when a member of the staff who is trained and certified in cardiopulmonary resuscitation ~~[(CPR)]~~ is on duty at the facility; and

~~[(m)]~~ (m) Notifies either or both parents of the contents of any plan created pursuant to NAC 432A.280 to ensure that the staff of the facility is prepared to respond to an emergency.

2. In addition to the information required by subsection 1, a licensee for a facility that provides care for ill children shall adopt criteria for admission that set forth:

- (a) The illnesses and disabilities that are accepted;
- (b) The illnesses and disabilities that are not accepted;

- (c) The ages of children served by the facility;
- (d) The information required from a parent before a child may be admitted to the facility; and
- (e) The procedures to be followed by the staff of the facility in the event of an emergency.

3. Every licensee shall provide a copy of the statement described in subsection 1 to each paid or volunteer member of its staff, to each parent of a child enrolled in the facility and to the Bureau.

4. The name, business address and business telephone number of any person who has legal or administrative responsibility for the facility must be provided to each parent of a child enrolled in the facility and to the Bureau.

5. The licensee of a facility shall notify each parent of a child enrolled in the facility and the Bureau of significant changes in the services offered by the facility.

Sec. 46. NAC 432A.385 is hereby amended to read as follows:

432A.385 1. The staff of each facility shall:

(a) Provide appropriate and adequate seating for the children at the facility during snacks and meals;

(b) If a high chair is used, ensure that the chair:

- (1) Is in good condition;
- (2) Has a wide base; and
- (3) Has a safety belt for the child;

(c) Wash with a detergent and disinfect after each use any chair or table that is used during a snack or meal;

(d) Allow, encourage and assist each child to feed himself, including, without limitation, encouraging a child to hold and drink from a cup, use a spoon and use his fingers to feed himself;

(e) Offer each child drinking water at times other than during his regular feedings;

(f) Discard any food that is left in a dish after a meal;

(g) *Ensure that bottles and containers of food are not kept in water longer than 5 minutes, and stir, shake and test a bottle or container of food before using the bottle or container to feed an infant;*

(h) Not hold an infant while preparing food;

(i) On a daily basis, empty, clean and sanitize any pot used to warm a bottle or food;

(j) Store each bottle of formula and container of food in accordance with the instructions from the manufacturer of the formula or food;

~~(h)~~ (k) Label each bottle of formula and container of food with the name of the child to whom it belongs and the date the formula or food was prepared by the facility or was prepared or purchased by the parent;

~~(i)~~ (l) Immediately refrigerate and label each container of breast milk provided by a parent;

~~(j)~~ (m) Return each bottle to the appropriate parent each day;

~~(k)~~ (n) Return any unused, open container of food to the appropriate parent each day if the child was not fed directly from the container of food; and

~~(l)~~ (o) Develop with the parents of a child a plan for feeding the child, which must include, without limitation:

(1) Instructions for feeding;

(2) Any special dietary restrictions, including, without limitation, any allergies to food;

- (3) A schedule of times for feeding;
- (4) Whether the child will be fed breast milk, formula or solid food;
- (5) If the child will be fed breast milk or formula, when to begin feeding solid food; and
- (6) Likes and dislikes of certain foods.

2. A child who is fed with a bottle and does not hold his own bottle must be held by a ~~caretaker~~ caregiver while being fed with a bottle. The bottle must not be propped for feeding. A child who demonstrates a preference for holding a bottle during feeding may hold his own bottle and need not be held by a ~~caretaker~~ caregiver if the ~~caretaker~~ caregiver is directly observing the child.

3. The staff of a facility may feed a child commercially prepared baby food directly from the jar in which it was packaged or from a separate dish. If the staff feeds the child from the jar, the staff shall discard the jar after it is used.

Sec. 47. NAC 432A.411 is hereby amended to read as follows:

432A.411 1. Each area in a facility that is used for changing diapers must:

- (a) Have a smooth, nonabrasive, impervious surface;
- (b) Be located within close proximity to a sink that is not used for the preparation of food;
- (c) Not be located in an area in which food is prepared;
- (d) Have a smooth, nonabsorbent floor covering;
- (e) Have nearby, for wet or soiled diapers, a washable receptacle that is lined with plastic and covered with a lid;

(g) Be cleaned and disinfected after each use by removing any visible soil and applying an approved disinfectant.

2. Each soiled cloth diaper and any soiled clothing that may be contaminated with contagious matter must be stored in an individual plastic bag and be returned to the parents daily.

The facility is not required to rinse or dump the contents of a diaper or the underwear of a child cared for in the facility. Each diaper used, including, without limitation, a commercial disposable diaper, must be able to contain urine and stool and minimize contamination. If cloth diapers are used on children, an absorbent inner liner and a waterproof outer covering must be provided with the diaper.

3. The staff of a facility:

(a) Shall discourage children from coming near an area that is used for changing diapers; and

(b) Shall not leave a child unattended in the diaper changing area.

Sec. 48. NAC 432A.412 is hereby amended to read as follows:

432A.412 1. Each facility must have written procedures concerning the washing of hands.

2. The staff of a facility shall follow the procedures of the facility concerning the washing of hands and shall instruct, monitor and assist the children being cared for at the facility to ensure that the children follow the procedures.

3. The procedures concerning the washing of hands must require, without limitation, that:

(a) The staff of the facility wash their hands with soap from a dispenser and warm water:

(1) Any time that their hands come into contact with blood, mucus, vomit, feces or urine;

(2) Before preparing or handling food;

(3) Before engaging in any activity related to serving food, including, without limitation, setting the table;

(4) Before and after eating a meal or snack;

(5) After using the toilet, helping a child use the toilet or changing a diaper with or without gloves;

(6) After attending to an ill child; ~~and~~

(7) After handling an animal ~~and~~;

(8) Before and after giving medication to a child; and

(9) After cleaning a container used to store garbage or handling garbage.

(b) The children being cared for in the facility wash their hands with soap from a dispenser and warm water:

(1) Any time that their hands come into contact with blood, mucus, vomit, feces or urine;

(2) Before handling food;

(4) After handling an animal ~~and~~;

(5) After the diaper or underwear of the child is changed;

(6) After playing in water; and

(7) After playing in a sandbox.

(c) The staff of the facility shall ensure that:

(1) Each bathroom has running water, soap and single-use or disposable towels; and

(2) Any common basin or sink which is filled with standing water is not used for the washing of hands.

Sec. 49. NAC 432A.413 is hereby amended to read as follows:

432A.413 1. Each facility ~~{must}~~ *shall* develop written guidelines concerning the methods used by the staff of the facility for toilet training and the use of appropriate equipment and clothing for such training.

2. The guidelines concerning toilet training must be distributed to each parent of each child being cared for at the facility who is not yet toilet trained.

3. The guidelines must require the staff of the facility:

(a) Not to force a child to remain on the toilet for a prolonged period of time or punish a child for wetting or soiling his clothing;

(b) Not to leave a child unattended while the child is sitting on a potty-chair or on the toilet;

(c) To instruct and assist the children in washing their hands after using the toilet; and

(d) If a potty-chair is used to train a child to use the toilet, to:

(1) Place the potty-chair on a washable, impervious floor;

(2) Use the potty-chair in accordance with the instructions from the manufacturer;

(3) Ensure that the potty-chair is stored and used in an area that is not in close proximity to an area used for the preparation of food;

(4) Empty the potty-chair into a toilet immediately after each use; ~~{and}~~

(5) Thoroughly clean and disinfect the potty-chair after each use ~~{-}~~; *and*

(6) Disinfect the utility sink where the potty-chair was cleaned.

Sec. 50. NAC 432A.414 is hereby amended to read as follows:

432A.414 1. A carpeted floor or rug on a floor that is too large to wash in a washing machine must be vacuumed not less than one time each day or more often if necessary and

~~professionally~~ cleaned not less than one time every 3 months or more often if necessary. *If the carpeted floor or rug is cleaned by a member of the staff of the facility using a carpet cleaning machine, the Bureau may require the carpeted floor or rug to be professionally cleaned if the carpeted floor or rug does not appear to be clean.*

2. Each floor of a facility that is not carpeted must be swept and mopped not less than one time each day or more often if necessary.

3. When cleaning a nonporous surface in a facility, including, without limitation, cleaning toys, cribs, tables, high chairs and surfaces used to change diapers, the staff of the facility shall:

(a) Clean the surface first with soap and water to remove any dirt or debris; and

(b) Disinfect the surface with a disinfecting agent.

4. The disinfecting agent used pursuant to subsection 3 must consist of:

(a) One-fourth of a cup of liquid chlorine bleach added to 1 gallon of water that is prepared fresh daily ~~and~~ *and kept in a closed container;*

(b) One tablespoon of liquid chlorine bleach added to 1 quart of water that is prepared fresh daily; or

(c) A solution that is approved by the appropriate state or local agency and is at least as effective as the solutions described in paragraphs (a) and (b).

Sec. 51. NAC 432A.415 is hereby amended to read as follows:

432A.415 1. Equipment and any material other than a toy that is used for play in a facility must be durable and free from characteristics that may be hazardous or injurious to a child who is less than 2 years of age, including, without limitation, such characteristics as sharp or rough

edges, toxic paint or objects that are small enough for a child of that age to swallow and choke on.

2. Any object, toy or component of a toy that is accessible by a child who is less than 3 years of age at a facility must meet the federal size requirements set forth in 16 C.F.R. § 1501.4.

3. Toys with sharp points or edges, plastic bags and objects made from Styrofoam must not be accessible to a child who is less than 3 years of age.

4. A toy or any other piece of equipment that is used for play must be made of a material that is capable of being disinfected and must be cleaned and disinfected promptly after the toy or other piece of equipment has been soiled or put into the mouth of a child, or not less than one time each day.

5. The staff of a facility shall not provide a stuffed animal to any child unless the stuffed animal is laundered or disinfected not less than one time each day or more often if necessary.

6. Toys placed in a crib at a facility must be appropriate for the age of the child using the crib. The staff of a facility shall adhere to any requirement set forth on the label of a toy regarding the safe use of the toy.

7. Each room at a facility that is used for play and other activities for children must have:

- (a) Low, open shelves to store toys;
- (b) An adequate supply of toys that are *in good condition and* appropriate for the age of the children;

Sec. 55. NAC 432A.420 is hereby amended to read as follows:

432A.420 1. A nursery for infants and toddlers may be a part of another type of facility if each part of the facility meets the requirements of this chapter. If such a nursery is a part of a larger facility, the director or one ~~[caretaker]~~ *caregiver* who meets the qualifications of a director ~~[for the nursery]~~ must spend at least one-half of his time in the nursery.

2. ~~[The director of a nursery for infants and toddlers in any facility must:~~
~~—(a) Have completed the training required to become a professional nurse;~~
~~—(b) Have completed the training required to become a licensed practical nurse, and have at least 6 months of verifiable experience which is satisfactory to the Bureau in a program related to the care of children under 3 years of age;~~

- ~~—(c) Hold a current credential as a “Child Development Associate for Infants and Toddlers” issued by the Council for Early Childhood Professional Recognition, Washington, DC 20005;~~
- ~~—(d) Be at least 21 years of age and hold a high school diploma or, if approved by the Chief of the Bureau, its equivalent, and have completed at least 12 semester hours of education, of which:~~
- ~~—(1) At least 6 semester hours are in infant and toddler development; and~~
 - ~~—(2) At least 6 semester hours are in child development, education related to the health of children or courses directly related to these fields;~~
- ~~↪ and at least 2 years of verifiable experience which is satisfactory to the Bureau in a program related to the care of children under 3 years of age; or~~
- ~~—(e) Have a combination of education and experience which, in the judgment of the Chief, is equivalent to one of the requirements described in paragraphs (a) to (d), inclusive.~~

~~—3.]~~ In a facility where a director is not required, the director of the nursery for infants and toddlers shall ensure that the required number of persons on the staff is maintained.

Sec. 56. NAC 432A.425 is hereby amended to read as follows:

432A.425 1. The director or a designated member of the staff of a nursery for infants and toddlers or other facility that enrolls infants and toddlers shall discuss policies concerning the health of an infant or toddler with the parents before enrollment of the child. Every parent must be given a description of and agree in writing to the following matters concerning the child:

- (a) Feeding;
- (b) Diapering;
- (c) Changes of clothing, which are to be provided by the parents;
- (d) Bathing, including, without limitation, the kind of soap to be used;

- (e) Precautions against infectious disease;
- (f) Sleeping;
- (g) Toilet training;
- (h) Daily reports to the parents;
- (i) Any special precautions regarding the health and safety of the child; and
- (j) Any other information deemed necessary by the facility or the Bureau.

2. A ~~caretaker~~ *caregiver* must be assigned to a specific group of infants on a continuing basis.

3. Except as otherwise provided in paragraph ~~(m)~~ (n) of subsection ~~H~~ 3 of NAC 432A.416, each infant and toddler must be under direct visual observation by a qualified ~~caretaker~~ *caregiver* at all times.

4. Each infant and toddler must be given undivided attention by the same ~~caretaker~~ *caregiver* for at least 30 minutes in the morning and 30 minutes in the afternoon, including periods of feeding and bathing. The ~~caretaker~~ *caregiver* shall, during this time:

- (a) Hold and talk to the child;
- (b) Encourage the development of the child's coordination by allowing him to reach for, grasp, creep, crawl or pull up;
- (c) Give toddlers the opportunity to develop the large muscles of the body by activities such as climbing and walking; and
- (d) Encourage the child to interact socially through playing, using language and solving problems using materials and equipment that are appropriate for the age of the child. Infants

under 6 months of age must be provided an additional period of not less than 2 hours of activity each day out of the crib, for example, in a playpen or other suitable area.

5. Each licensee of a facility shall provide an indoor area which is covered by a soft or nonabrasive material and is protected from traveled walkways where crawling children can be on the floor for at least a part of the day.

6. A ~~caretaker~~ *caregiver* may take the infant or toddler assigned to him outside or to areas of the facility other than their usual room for a part of each day to provide a change in their physical environment and to increase opportunities for social interaction.

7. When weather permits, each toddler over 12 months of age must be taken outside for a portion of each day. If the weather is extremely hot, the toddler must be kept in a shaded area while outdoors.

8. An infant who is awake must not be left in a crib for long periods without direct adult care and never for more than 30 minutes at a time.

9. The staff of a nursery for infants and toddlers shall separate the infants from the toddlers while the toddlers are engaging in physical activities.

10. There must be a resilient surface under equipment that is used for playing and climbing at a nursery for infants and toddlers. Such equipment must be appropriate for the age of the children using the equipment.

11. The staff of a nursery for infants and toddlers shall promote the healthy development of toddlers by:

- (a) Expressing feelings with words;
- (b) Giving directions that are worded in a positive manner;

(c) Modeling desirable behavior; and

(d) Redirecting behavior.

12. The staff of a nursery for infants and toddlers shall not discipline or punish an infant or toddler by confining him to a crib, high chair, playpen or other such piece of furniture or equipment.

13. The staff of a nursery for infants and toddlers shall prepare a daily report for each infant less than 12 months of age for whom it provides care. The report must be posted in a conspicuous place in each room used to care for the infants and must include, without limitation, information concerning the feeding, diapering and sleeping of each infant.

Sec. 57. NAC 432A.450 is hereby amended to read as follows:

432A.450 1. Each licensee of an institution shall:

(a) Formulate, in writing, a statement of:

(1) The services and specific programs offered; and

(2) The procedure for admission and the information which must be contained in an application for admission.

(b) Obtain or develop a complete social study of each child not later than 30 days after his admission.

(c) If caring for a child for money, enter into a written agreement with the parent of the child which outlines the duties and responsibilities of each party.

2. Each licensee of an institution shall:

(a) Establish a regular program of activities which has sufficient flexibility to respond to the needs of each child;

(b) Integrate the institutional programs with activities in the community in a manner that allows children to participate in the normal living patterns of the community;

(c) Maintain and develop constructive relationships between the child and his parents, brothers and sisters, other relatives ~~[.]~~ and members of the staff of the institution;

(d) Make the greatest use of small groups of persons to aid in developing the individuality of the child and helping him to attain a sense of personal identity;

(e) Establish a program of personal hygiene for every child;

(f) Provide every child with his own toiletries, including a toothbrush and comb, and with clean towels and washcloths;

(g) Provide space for individual storage of toiletries; and

(h) Establish policies governing the social, emotional, physical and intellectual development of each child.

3. Each licensee of an institution shall provide supervised work for each child which is appropriate to the age, health and abilities of the child. Work must be assigned for the purpose of training and contributing to the growth of the particular child. Work must not interfere with the child's time for school, his periods of study, play and sleep, his normal relations within the community ~~[.]~~ or visits with his family.

4. A licensee of an institution shall ~~[differentiate between]~~ *establish a written policy which sets forth:*

(a) *Any* daily chores that ~~[children are generally]~~ *a child is* expected to perform ~~[to prepare them to become independent, specific assignments of work which are available to children as a means of earning money and jobs performed in or out of the institution to gain vocational~~

~~training. If possible, a licensee of an institution shall, either by gift or for work done, provide every child of school age with an allowance which he is permitted to spend at his own discretion.]; and~~

(b) Any merit system that will be used by the institution to provide consequences to a child for his conduct.

5. A licensee of an institution shall not use any child to solicit money for the institution in any way which would be harmful or cause embarrassment to the child or his family. The written consent of the parent or legal guardian must be obtained before an institution may use a child's picture or name in any written, visual or oral system of communication.

6. Each licensee of an institution shall have written policies on religious training. The consent of a child's parent must be obtained before a child may attend church or receive religious instruction.

7. Each licensee of an institution is responsible for providing academic or vocational training to each child. The licensee of an institution shall, by using resources in the community, provide specialized training for children who are unable to benefit from a regular school program because of their physical, mental or emotional disabilities.

8. Recreation and programs of activity must be planned as an integral part of the institution's total program.

9. Each licensee of an institution shall have a written, planned program to supervise the children's health and provide medical and dental care.

10. Each licensee of an institution shall provide a statement outlining the policies and procedures concerning the use of isolation or restraints on the children in the institution. The

members of the staff of the institution must be trained and certified through a nationally recognized organization concerning the use of restraints. If isolation or restraints are used, a committee established by the institution must evaluate and review the process concerning the use of isolation or restraints within 30 days after isolation or restraints are used to determine:

- (a) Whether safety guidelines were followed by the institution;*
- (b) The effectiveness of the process concerning modifying the behavior of the child; and*
- (c) The institution's compliance with the written policies and procedures of the institution.*

Sec. 58. NAC 432A.460 is hereby amended to read as follows:

NAC 432A.460 1. Each licensee of an institution shall maintain an individual record for each child accepted for care. The record is confidential and must be protected from examination by unauthorized persons.

2. Every record must contain the following ~~{} information~~ *information, if available:*

- (a) The child's full name, birthplace and date of birth;

TEXT OF REPEALED SECTIONS

432A.030 “Central operator” defined. (NRS 432A.077) “Central operator” means the person who or public organization which operates a child care system, provides central

administrative services for individual facilities and is charged with enforcing standards of maintenance and operation of the facilities.

432A.146 “On-site child care facility” defined. (NRS 432A.077) “On-site child care facility” has the meaning ascribed to it in NRS 432A.0275.

432A.160 “Preschool” defined. (NRS 432A.077) “Preschool” means a facility in which the licensee has established specific goals to enhance each child’s cognitive, social, emotional, physical and creative development.

432A.522 Nurseries for infants and toddlers. (NRS 432A.077)

1. A licensee of a nursery for infants and toddlers shall have on duty at least the following number of caretakers:

- (a) If all children in the nursery are under 9 months old, one caretaker for every four children;
- (b) If all children in the nursery are between 9 months and 18 months old, one caretaker for every six children; or
- (c) If all children in the nursery are between 18 months and 3 years old, one caretaker for every eight children,

↪ except that if there are more than six children in the facility, there must be at least two caretakers on duty in the facility.

2. If the nursery contains children from more than one of these age groups, the required number of staff members is determined by computing the average of the ages of all children attending the nursery and using the average age to determine the applicable ratio of caretakers to children.
