## LOG IN TO HEAR A PROGRAM OVERVIEW AND ASK US QUESTIONS

The CCEA is a 6-month paid training program for people who are interested in becoming a child care professional with little or no experience. The CCEA is a full-time program that includes early childhood training, project hours, wraparound support, career pathway planning, classroom hours, all requirements to earn a Child Development Associate (CDA) Credential, and internship matching for each trainee to a high quality licensed child care center.

We are seeking both trainees to participate in the program and child care centers to partner with us!
