

Nevada Childcare Providers Invited~ Research Study Participation

*Including Infants and Toddlers with
Disabilities in Childcare: Perspectives from
Early Care and Education Professionals*

We are conducting a study to better understand the perceptions and experiences of childcare providers related to serving infants and toddlers with disabilities. We invite you to participate in this study by completing an online survey (approximately 15-20 minutes to complete).

To participate in this study participants must be:

- Have worked in a childcare program in Nevada within the past 12 months
- Childcare programs include any programs providing services to children under 3 years of age including but not limited to center-based and family/home-based programs, faith-based or university/college programs, or Early/Head Start programs.

This study is UNLV research and has been reviewed and approved by the University of Nevada, Las Vegas Institutional Review Board (IRB NUMBER: **UNLV-2025-205**).

To participate, please click [HERE](#) or scan this QR Code

If you have questions, please contact Jenna Weglarz-Ward at jenna.weglarz-ward@unlv.edu
